I remember this conversation with my dad about tattoos and piercings. He said you can get tattoos. I asked about piercings and he said you can get a hole wherever you want but don't get no hole in your tongue 😏😏 and what I do? 🙄😏 I got my tongue pierced but then 3/4 months later I removed it. Guess I had to have my rebellious moment with dad 🙄 I love you dad, I don't have no hole in my tongue no more ☐ or at least I don't think I do. Love you til the end of time. With love, your baby girl ☐☐☐
